Testimony share is one of the best sites I have come across and I pray the Lord God Almighty to lift you people up and grace you with whatever your needs are. I find this site very spiritually fulfilling and I pray for myself that I can be a little light to some. I have been waiting for a site like this for a season and a half. May the Lord bless you and keep you.

May He make His face to shine upon you and be gracious onto you.

May the Lord God lift up His countenance upon you and give you all peace.

David Lanier 12/5/2007

I have seen our Lord Christ Jesus. I have been to Heaven, I have seen into Heaven. I have heard Him speak and visions, and dreams. The deacons and ministers at Ardmore Baptist Church in Winston-Salem, North Carolina were shown proof of some of the things I say. Email them. He has authenticated this

testimony to them. We are going to live forever. Christ Jesus is our Lover. I am a three year old sitting on Paw Paw's thumb. Jesus told me to call the big right hand, Paw Paw. or Daddy, whichever I preferred. I am going to marry Jesus, He asked me to marry Him. I am a 58 year old male, I have a degree in Engineering from N.C. State University, 1971. I think I know when the laws of Physics are being broken. I have never in my life done any kind of drugs, I don't drink, I haven't been sick, and I am not psychologically incompetent or emotionally unstable. I am to witness what I know. We are going to a banquet where we will eat LIFE. There is going to be a battle soon and we will be riding horses. The utterances happened to me once. I can tell you some things but you'd only think I was crazy. I will be held accountable for what I am saying, and indeed, you will see what happens to me because of the things I say. The Bible is true. The love in Heaven is wonderful, HE IS HOLY. HOLINESS is the most wonderful experience I have ever know. Angels are so powerful. All I did was pray in my livingroom and ask God two questions. A breeze of air went through me, and then the two angels were with me. I was taken to Heaven. That was 18 years ago. The last thing that happened to me was a few weeks ago, but I don't know if I can talk about it yet. Some things I can't talk about. Some things, there are no words that can describe. The Bible describes Him perfectly. I don't know if you people would want to put my testimony on your website. There are others who talk like me. Intelligent, educated, some professionally employed, from all walks of life, legitimate, accountable, responsible, moral, and truthful. We are to witness our Lover. How precious, how sacred, how Holy, Holy, Holy, is the blessed name of Jesus! You know what, there's alot of people in for a big surprise. David Lanier, 1300 LeHeigh Court Winston-Salem, North Carolina 27103 336-748-1784 I should write you a

letter. My testimony gets longer as I walk this path. I am to witness. I am to witness going to Heaven. I am to witness seeing Him. I am to witness seeing the Holy Spirit. He is formless, infinite, I saw Him, and heard Him, He was inside of me. I don't know how to explain. He said to me "I AM" . That was in 1990. Look up Ardmore Baptist Church website, email the minister. Ask him what he has been shown. I will see you in Heaven, and you will know I have spoken the Truth. Christ Jesus is the Truth. He is Light, He is Life. HE IS GOD, the Holy Spirit is God, the big right hand is GOD. I AM is God. One God, three persons, I just know it. I don't understand alot. The blood of my Lover is on me. What a wretched sinner am I, forgiven by grace, amazing grace. I KNOW WHO I HAVE BELIEVED. My life is his. I am my Lover's and my Lover is mine. Forever.

God slowed my anger towards others and made me realize the need for forgiveness. God made me forgive those who had done evil to me. He also made me not deny that those things were evil and He dealt with it and healed it. God made me protect myself from the consequences of my own anger by making me forgive myself for my "failures" and "flaws" instead of seeking to condemn and punish myself. God took away the pride that was there keeping myself from confessing a mistake and apologizing for it. God made me not keep a record of other people's wrongs, or remind them of things that they had done wrong in the past, or constantly bring up their mistakes and failures. I prayed that He make me honor the truth in my relationships, speaking the truth in Love and keeping silent when the truth couldn't be spoken gently or kindly. He also made it possible for me not to lie about my thoughts and feelings and He also made me let

others speak their thoughts as well. I prayed that He make me persevere in my efforts to practice good relationship skills even when those efforts didn't seem to making progress or when they were not appreciated or rewarded. He made me patient as I learned to make wise choices, knowing that these skills did not come instantly.

Hello Pearl,

I just said a prayer for you.

I know how you feel. There are times when I feel scared and anxious too.

We are living in very troublesome times, but the good news is that God is always with us and He loves us with a love that will never fade away.

Give your worries to God and rest in His promises.

Every promise in the Bible is for you. Claim the promises of God.

When you sleep think about what God said to you through His word. When you do that, your sleep will be full of peace.

This has worked for me and I believe it will work for you too.

God bless and keep you.

Praise the Lord Alleluia

Dear All,

My name is Maclee Fernandes. I am a 32 year old male living in England.

I writing this email in order to share my experiences I have when I pray.

It all started in September 2011 when I attended a retreat, having attended my last when I was 14 years old.

The retreat lasted for 3.5 days at the 'Tabor Divine Retreat Centre' in Mumbai.

I confessed my sins on the 3rd day of the retreat Centre, when receiving communion while celebrating mass in the evening on the same day, water sprinkled on my forehead, I looked around only to realize that there was no one around me sprinkling water, I was a bit puzzled and sceptical at the same time also too embarrassed to ask any one for an explanation.

However on the last day before leaving, I managed to speak to a highly reputed healing priest who suggested that I had received a special anointing as I had a clear mind, although I was elated and overjoyed , I decided to attend my next retreat at the

'Divine Retreat Centre' in Kerala.

The retreat lasted for 5.5 days. While praying I often experienced, due dropâ€™s condensing on my skin. At one point I managed to capture a glimpse of a very tiny purplish/mercuric drop fall on my right hand and it disappeared in a split second. The condensation effect kept continuing and it still does till date when I am saying the rosary or in deep prayer.

On the feast day of saint Michael, when I was in my room at the retreat centre, I happened to hear someone whisper my name in a very ancient voice/tongue (I was naturally terrified as I had never experienced any such thing before..Trust me the voice was very clear), That very same evening when celebration the inner healing service, to my utter surprise and excitement amongst a crowd of nearly a 1000 people approximately, the priest called my name followed by saying that the lord wanted me to come closer to him and that whoever had cheated me could never destroy me. Ever since that retreat I have never neglected my prayers and I have been receiving anointing each time I pray in the form of condensation. I returned to the UK on the 15th October 2011, my faith has been strengthened and is strong like never before and I feel a strong presence of god in my life. Just the other day while I was praying water sprinkled on my right eye (It was a very tangible drop of water that did not vanish/evaporate)

I am also very much sure that it is a part of godâ€™s plan that I share my experience with you.

God bless and Regards,

Maclee Fernandes

Mehr 12/15/2011

My name is Mehr. I am a Parsi girl born and brought up in Bombay. From my Dad's side his family was into the occult such as communication with the dead, holding seances and practicing spells on others and freemasonry.

A few years ago in November 2007 I had a very unusual dream. I saw Lord Jesus Christ rising from His Tomb and next to him was a man who later happened to be a boss and a pastor in church. I did not really understand why I should see such a dream and it did bother me for a long time. After that I was drawn to reading The Holy Bible which did not gel with me. I could not otherstand why I was being drawn to read The Bible. Now the interpretation of the dream is very clear.

An aunt and cousin of mine believed in communication with their loved ones and ascended masters, spiritualism and new age movment. For quite some time there was an interest in me towards these things and I read and believed in spirituality a lot, only to be deceived much later.

After two years of interest into spirituality one fine day I simply surrendered to the interest in reading the Holy Bible.

Today I myself have experienced the Love of Lord Jesus Christ in my life and believe that Lord Jesus is my True Savior and there is none besides Him. He is the Son of The True Living God.

I live each day of my life with this truth and say the Lord's prayer everyday. Lord Jesus has answered even my smallest wishes and desires and that itself is a sign that He drew me unto Him and His Presence is there in my Life.

My name is Deborah- Most of my life in christian churches and ministries believing i was saved,filled with his spirit over 15 years. I was living a lie. the true Spirit of God came on my flesh and revealed after 15 years in christian ministries and believing in God that I was not filled with his Sprit, not saved/born again, false tongues, and had numerous demons and one devil in me. How could I have been ministering side by side with many well known ministers are anointed of God and they did not detect I was in darkness? When you have the true anointing of the Holy Spirit you will know all things in truth! I do now! No man will need to teach you. The true Creator thru his only son pulled me out of the ways from churches and ministries of this world. they are all greatly deceived by the god of this world. the mystery of babylon the great all (churches of world). mystery of iniquity which is the great city in the spirit realm reigns above the kings(all church leaders) of earth. A spiritual blood bath of many believers including all slain on the earth. I have a 9 page testimony that I am a witness in True power of

the Holy Spirit that I saw Satan in spiritual realm ruling all church leaders of the world and gathering a great many deceived followers down road of destruction.

2thess2:3,4

come out! Revelation 18:4 TURN AWAY FROM THE CHURCHES AND THESE MINISTRIES AND SEEK TRUE GOD IN FERVENT PRAYER TO WAKE UP YOUR SPIRIT!

Im telling the truth of God, the creator in Jesus Christ name. Your blood is not on my hands in the eyes of Almighty God and his only true son.

I bind the power and kingdom of God to stop every work of the devil against me in the name of Jesus Christ! I bind the word of God- the gates of hell will not prevail against me in Jesus Christ amen. The Lord rebukes every work of Satan be gone in Jesus name.

I was 4 years old when my parents found out that I
have a kidney disease. I have been hospitalized for a
month. I've experienced too many injections in various
part of my body at my young age, I can still remember
I cant bear the pain. All I can do is cry out loud and
hold my parents. My parents fear was I could have die
the same disease my both grandma on both sides

Jesus reveal himself to us. He chose us to accept him
as our Lord and personal savior and inherit the

For 7 years I drank at least a six-pack of beer every day, sometimes more. I only weighed about 105 lbs. if that. I smoked a pack and a half of cigarettes per day as well. I never wanted to leave the house. I was having some serious issues in my health and in my family life as you could guess. I thought that I was hopeless because Jesus had delivered me years ago of alcohol addiction, but I went back to it again and thought he must have given up on me. I never gave up the cigarettes during all this time, just the beer. I have been free from the beer for over 3 years and almost 1 ½ years for the cigarettes. I didn't do it. HE did! And, HE will do it for you. Just let go (surrender) and want him more than your life.

Praise the Lord!

Hi, I just wanted to say that Testimony share is the fellowship that I receive in the morning. I am not permitted to go to worship so the Lord brings fellowship to my doorstep! Thank you from the bottom of my heart for this work you do for God and by His hand. May He further inspire you and let His glory increase by these true Testimonies in Jesus Name.

I just wanted to clarify : I have posted my testimonies quite a few times. Often it requires submission many

times before it is posted. I realise that those behind the scenes may be too busy to immediately deal with so many submissions.

I recently posted three testimonies but it's been some time and they have not been posted. Is it because they have some unwanted content.

Would like to know.

Thank you once again and may the Holy Spirit always Hover over testimony share and all who contribute to its content!

Apologies for being slow in getting your posts live. We publish most all testimonies and comments but not 100%. I check comments most every day but posts take a little longer. Thanks for bringing this to our attention and feel free to post a comment in this thread anytime if you have a post that didn't make it. That goes for anyone else as well. God bless you!

Hi Emory! I'm so happy to find this website again! It was my second attempt last night and then it seemed as if I lost everything again! Sorry for the wrong place I posted it in! I'm a lot on internet for the last few months -reason so hungry to understand more and more of God's word. How great He is!!! I'm in someway, a bit restricted in my knowledge of what, where and how to use the web/pages! lol! I'll be honored if you can place the Testimony which our Beloved Father in heaven gave me! I'm getting retired from ill health because of my neck, but truly believes God has so much more for me and my wife to do! She had 2 strokes and one open brain operation but are still able to do almost everything. Her testimony is yet another proof, of how Faithful our God is! To not have headaches is like getting a new chance again! I'm going for more constructive surgery in which they plant in a pump that regulates my neck and back pains within 2 – 3 weeks. Please pray to God to make it a big success! You are the first person I communicate

to on my PC- wow ...and all about our God and Savior Jesus Christ! I can't get enough! i'm getting 52 this year and I know – if it is in God's will, my fountain can and will overflow more than ever before! All my other communication was done on my cellphone! Now I can do so much more! I wish I could share my Testimony with you and your husband eye to eye! What I told you is just a very small part! I believe this is a journey for who-ever read it and, just as I was prepared for that big moment, God can prepare so many other people for much bigger events and testimonies in His name! Thank you again and again! God bless you all!

Emory! You and your husband are so blessed in having this website! God is using you as a beautiful channel to bless thousands of other people! So great to read and see Testimonies – all of them are so inspiring! Please people – Let's live in the Light and live the Light! Remember... it is not about the person in the testimony, but about the testimony in the person! Speak out for the Lord Jesus! He gave His life for us! Do we really understand the full meaning and consequences... NO, I really don't think so ...the most important part is to believe in Jesus and read the

Word of God, so that He can reveal more and more of Him to you!

Emory! That will teach me to read better! So you are Mr and not Miss! Sorry for that! Again, thank you for posting my testimony! As I said – I have a 25+ page testimony! If I get the chance, I start to overflow- I can't stop it and don't want to – I'm so excited and full of joy when I start to speak or write about it ! I'm sure God provided me with the “starterpack” and He will guide me through His Spirit in order to share – I pray that I hear correctly and most of all be obedient to Him! Right now, I can start and write till tomorrow! The more I write ,the more come to the clear! Praise Jesus Christ, the Son of God our Lord! Be blessed my brother! I know that God loves you much! Wow, all the blessings you get by this website and in total it's to the glory of God! And...because it's God's love, it is so great – We can all share in it!!! Pieter Gabriel

Hi Peter, That's really great testimony of yours and happy for the transformed life, that god had brought to you.

I'm from India. I'm going through the pain of panic attacks(OCD), fear of death, severe anxiety, depression, low self confidence and with no hope in future.

Again briefing about my addictions/health concerns

I have never been a godly child, I was a child addicted to pornography/masturbation unknowingly with circle of friends I had at age of 14. I tried to get overcome

this sin, I could go for 50-60 and again back to pit. I felt like terribly sad for myself, I was never used to look a girl with clean eyes/thoughts. But I never had sexual relationships with any till date. The other thing which stuck me is described below.

Now I'm feeling bad and seeking god with my whole heart, but here

Into details of me, got crushed terribly It was in year 2008, from nowhere I got an Knee injury, though I was referred to the best doctors of where I lived, none had ruled/diagnosed the cause of the cause. They concluded it as Sero Negative Arthritis(which they name when found nothing in any of tests). While I was under treatment, the powerful medicines prescribed caused chest pain . That's it...that's the start of which made my life upside down. Tight chest made me to think of heart attack and from there I happened to caught in circle of fear and that fear is sort of ..Something will/may happen to me.

In spite of many being said/confirmed through tests that it just an anxiety I always fear it is something about heart . This is time when I started to read word of God and try to overcome the fear. And with this fear being my back, I couldn't go myself out to anywhere(chained in fear). With few medication I felt better and travelled back to my workplace.

I have developed anxiety out of nowhere for silly things and from there it never leaved me. And adding to that few massive panic attacks (one during travelling and other while having dinner) have left an strong impression in my mind, which made to fear to travel alone (to till date) and eat peacefully..oh its such a terrible/awkward feeling being a guy and fearing. But this is me going thru tons of fear/anxiety daily.

I'm undergoing through a really terrible agony..in my

life. I have no peace..no happiness in my life... all i want is to be touched by god. I'm reading the word of god with whole heart, but I always get stuck with is god really ears to prayers of sinners, but I want to get cleansed in Blood of Christ once for all.

Currently I'm working as IT professional at an age of 27 to start and married life, but with all these I'm going thru I decided not deceive a girl by marrying, But I happened to see a girl in my office, whom I liked a lot but with the nature of shy and never had experiences to be close with girls, and with all the fear and anxiety I couldn't step forward to open my feelings.

In these many years I could say that I never slept at peace without medications. I'm still struggling to sleep. But I want o confess all my sins to Lord, as we have assurance in his Blood.

Please.. please.. please pray for me and keep my requests in your prayers do I don't have the peace in my life for ever?? I'm eagerly waiting for God to shower his word. With all the hopes I'm looking to god for help and miracle to transform me.

Kumar! I've just read about your situation and I realized again, how important inner peace is! You are definitely on a road of learning and shaping by God!No matter what, God is waiting for us to repent and "give"over everything!Jesus says himself- My yoke is soft and My burden light! But... these words are not always easy to interpret – especially when anxiety is on top of you! I started with – I know I'm a child of God through the blood of Jesus Christ and His promises!He said if you confess with your mouth that Jesus is the Lord and believe with your heart that He was raised from the dead by our Father God Almighty , you will

be saved! Jesus also said that, He won't turn him away, who comes to Him! To me, that is the ultimate starter pack! If we can both accept that we are children of God by that confession and truly believe in our Savior, the battle is won!

I surely had my shares of being anxious about numerous things in my life but... after I made the following conclusion in my life, things really become much easier! I thought in myself, what if I die now? And then I realized – wow...it will mean I'm going to God, and there is no better place as to be with Him!!! As God promises us, there is NOTHING that can take us away from His love! Although life on earth maybe wonderful ,we will never look back if we go to God! The biggest obstacle or biggest fear is often “death” on earth, but Jesus took away all fear out of death because ...death for a child of God , means the walkover to everlasting life with our Heavenly Father! Then actually, I can't wait for that moment because I want to be with God.But...just as Paul said, although he longs to be with God ,he still has work to do for God while he is on earth! Finally, God is 100% in control , NOTHING can happen to you if it is not within God's will and what He wants to allow! It is also good to know ,that everything will work out for the better for God's children!

Therefore my brother in Christ, God didn't give us a spirit of fear! You must open your arms as a child of Jesus Christ our Savior ,and give over 100% to God! Once we realize in full, that death is actually the beginning of a new life with Jesus Christ, we need not to be anxious at all! God IS 100% in control!!!!Kumar, my prayer for you: Father God Almighty, we struggle so much with things that you have already concurred! We know that we don't have to fear anything! I pray in the Name of Jesus Christ our Lord, that you will strengthen Kumar. Give him the peace and joy that

will overcome all his fear!Through your Almighty power, there is nothing that can stand in front of you ! You are everything, You are all we need Holy Father!Thank you for being the Only Real Living God Jesus Christ and the Holy Spirit! We humble ourselves before you God, please here this prayer and thank you for your everlasting love!You are Holy, Trustworthy and all honor,power and praise belong to you Father!We thank you in the name of Jesus Christ our Lord and Savior! Amen

Thanks Peter for the prayer!I'm getting encouraged with God's work and I'm trying to cast things standing between me an God! All I want to be is righteous. As Psalmist says in 112 6-7 "Surely he shall not be moved for ever: the righteous shall be in everlasting remembrance.7 He shall not be afraid of evil tidings: his heart is fixed, trusting in the LORD.

Praying to god with loud mouth to not to turn away his ears for my distress! Now, I know that salvation leads to sanctification, I seek at Gods feet to cleansed with his precious Blood!

Hi! Im 39yrs old and its been almost 7yrs that God got ahold of my heart. I was lost, undone,broken,bruised and scared from a life of torment. I have 6 children 3 from a previous relationship a son from another and the last 2 from another. Looking for love in all the wrong places caused a strong hold of jealousy in my life. Of all my children i raised 2 and got my other son at age 14. Before i got married it was hard to trust men and living a life for God was the hardest thing for me to walk in love the way Jesus did. I struggled with anger, low self esteem about my looks and trust. I cried to God for years fasting and praying and trying to put away the worldly pleasures of watching t.v. i dont even watch it. I threw away all evil symbolic messages in movies to wordly music and praying reading and meditating. Through all this i have not fully overcome jealousy but i havent given up the fight because my bible says in Galatians 6:9 And let us not be weary in well doing: for in due season we shall reap,if we faint not (KJV) and im still pressing on striving for the kingdom. Through the midst of all this Gods given me a great marriage my lost children are coming closer to my heart and realizing this. I'm not who i used to be because the God i serve promised me that all the devil stole from me, he has to give back all and i can see the pieces in my puzzled picture is just about complete..Keep serving God in the name of Jesus a break through of rain is pouring out blessings in my marriage and my family because God is the Lord of my life thank u Jesus
